(*If there is not enough space, please continue on back of page.)

Please note that it is the policy of St Andrew's Junior Church:

- that all children come up to church during the service when their own class comes up;
- that parents/guardians take full responsibility for their children from that time;
- that no children, including teenagers, go downstairs or stay downstairs at that time on their own, whether or not there are still some teachers or helpers there.

Thank you for fully adhering to this policy.

Parents: Our Junior Church can only work with the voluntary help of parents.
Can you make your contribution by going on the Teaching Rota, or the Helpers' Rota, once a month?
If so, please contact the Chaplain, Paul Brice (pbrice@anglican.ch), thank you.

By completing this form, I give the Church permission for my child to be photographed during church events and for those photographs to appear on the notice board in the church Community Centre, in Search magazine and on the church website.
